CLOSING THOUGHTS

Pastor Jack Briggs, Cornerstone

We hope you have been encouraged and inspired in your faith as a result of being with us today. May you return to your homes with a deep sense of God's love in your heart and a burning desire to share His resurrection message with others.

Welcome... to the combined Resurrection Worship Service of Cornerstone Assembly of God and Good Shepherd Christian Fellowship! Our two congregations have been joyfully participating together on this very special Sunday for many years as we seek to live out Psalm 133:1 – *“How good and how pleasant it is when brothers live together in unity.”*

Each congregation has its own distinctives and ministry profile, but we share a common faith and purpose: to bring the love and hope of Christ Jesus, our risen Lord, to Needham and the surrounding communities.

We trust the presence of the Lord and the warmth of fellow worshippers will richly bless and encourage you in your life and faith. Thank you for worshipping with us this morning!

Visitors, please feel free to simply observe during the offering; you need not give unless you really want to. For those contributing, the ushers will receive the offering for both congregations. Use the envelope in your bulletin to designate your offering to your chosen congregation. Thank you, and may the Lord richly bless your giving!
